

# Get Connected

Does your business need help with...

- ◆ Developing a website?
  - ◆ Building your eCommerce platform?
    - ◆ Developing your social media?
- 

If you have...

- ◆ Less than 100 employees
  - ◆ Existed at least 1 year
- ◆ Located in Bradford, Sullivan, Susquehanna, Tioga or Wyoming Counties

Then the **Get Connected Program** is for you. You will be connected to a developer and we pay the initial fees to get you started in one of the 3 areas. All you pay are recurring future fees such as domain name registration and website hosting.

To get started, complete the **on-line form** and the SBDC will reach out to help you **Get Connected**.
