

Updated Notice for Public Comment on the Northern Tier 2020-2045 Long Range Transportation Plan

March 19, 2020

The Northern Tier Regional Long Range Transportation Plan is a component of the Regional Strategy and Action Plan that considers our priorities for the regional transportation system from 2020 through 2045 for Bradford, Sullivan Susquehanna, Tioga and Wyoming Counties.

Due to the coronavirus pandemic, the Northern Tier Regional Planning and Development Commission (NTRPDC) will not hold a public meeting at its Towanda office for the draft 2045 Long Range Transportation Plan on Monday, March 23, 2020 from 10am-2pm. Alternatively, NTRPDC staff will host a teleconference for the public to call to offer comments on the draft plan.
