**PRPS Community Park and
Program Exchange**

COMMUNITY PARK AND PROGRAM EXCHANGE

Tuesday, October 14

11:45am – 3:00pm

Wysox, PA

The Community Parks and Programs Exchange is designed for local municipal managers, elected officials, recreation boards, volunteers, and park champions who wish to increase or improve their local community's park and recreation offerings.

State and local experts will facilitate interactive sessions regarding the planning, funding, and maintaining of parks and green spaces in rural communities. This event includes a visit to local Wysox Community Park which has undergone significant development including a \$300,000 park upgrade for walkways, play equipment, ADA access, and other site improvements, as well as an additional boat launch rehabilitation project thanks to multiple rounds of state funding within the last three years. We will end our day at the park with a session for including park maintenance in development plans.

Introducing our New Career Coaches!

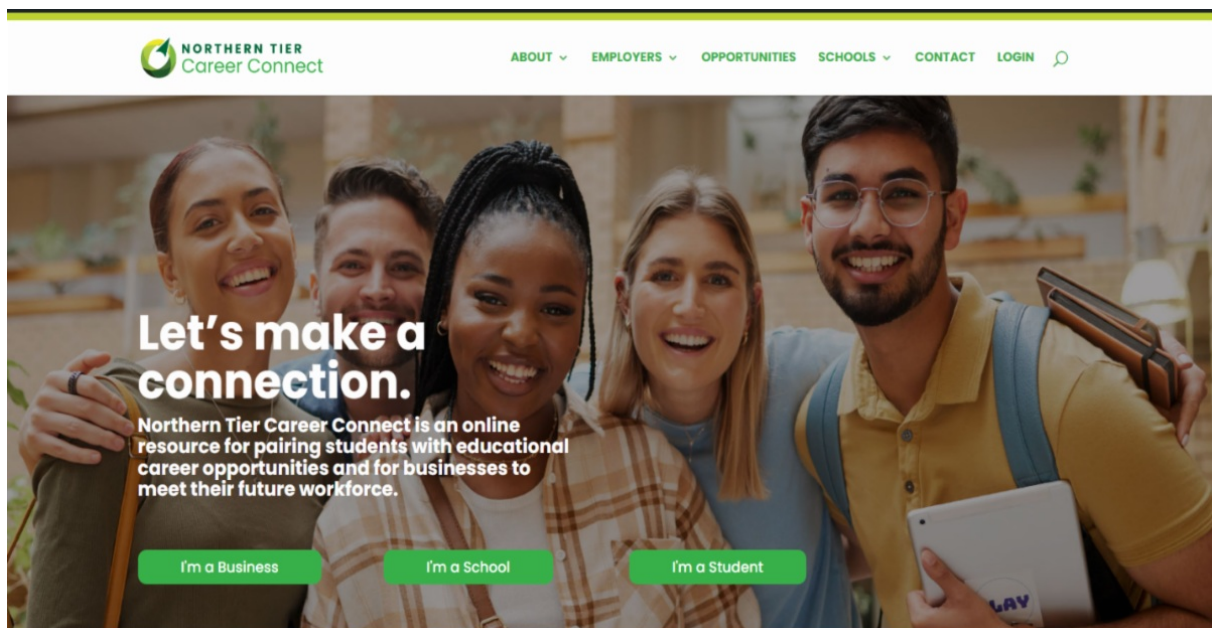

The Northern Tier Business Education Partnership (NTBEP) kicks off a new school year in partnership with 14 school districts throughout the Northern

Tier Region. This year, in addition to welcoming back five returning career coaches to its service delivery team, the NTBEP has added two new career coaches: Jessica Pepper (pictured left) and Cindy DeHaven (right). Cindy is working with the Wyalusing Area School District, and Jessica serves the Northeast Bradford School District and Towanda Area School District.

Career coaches provide valuable career awareness and career exploration activities to students in grades K-12 to help them become more aware of the endless opportunities available to them after graduation from high school. For a full listing of our career coaches, the schools they serve, and their contact information, please visit our website at <https://northerntier.org/career-services/>.

Also new this year from NTRPDC is the website “Northern Tier Career Connect.” Students and educators can search their local communities for work-based learning opportunities as well as classroom presenters. For more information check out <https://www.ntcareerconnect.com/>. To get registered on the site, contact Renae Chamberlain chamberlain@northerntier.org.

Celebrating Workforce Development Month

September is **National Workforce Development Month**, a time to recognize the people, programs, and partnerships that strengthen our communities and local economy. Workforce development is about more than just jobs—it's about creating opportunity, fostering growth, and building pathways to success for individuals, businesses, and entire communities.

Our **Northern Tier Workforce Development Board (NTWDB)** plays a vital role in this mission. Bringing together leaders from business, education, labor, government, and community development across our five-county

region, the Board provides the strategic vision, oversight, and collaboration needed to guide initiatives that make a real difference. From helping jobseekers connect with meaningful careers, to supporting employers with skilled talent, to creating opportunities for youth entering the workforce, the NTWDB ensures our system remains responsive, innovative, and future-ready.

These efforts are possible thanks to the strong collaboration of our partners, such as Bradford County Action, Inc. Trehab, PA CareerLink® Bradford/Sullivan Counties and PA CareerLink® Tioga County who work together to provide a regional approach to service delivery. Their commitment, alongside the dedication of our Workforce Development Board members and NTRPDC staff, drives real impact every day.

This Workforce Development Month, we extend our thanks to all our partners and Board members for the time, expertise, and passion you bring to strengthening our region's workforce.
